TO: THE RESIDENTS OF THE CITY OF WICHITA, KANSAS

You and each of you are hereby notified that the Governing Body of the City of Wichita, Kansas, by Resolution No. 12-208, duly adopted August 28, 2012, has found and determined it to be necessary and declared its intention to construct, reconstruct, alter, repair, improve, extend and enlarge the City of Wichita, Kansas Water and Sewer Utility which is owned and operated by the City, such construction, reconstruction, alterations, repairs, improvements, extensions and enlargements to include, but not be limited specifically to, sanitary sewer in West Kellogg Freeway, 111th Street West to 143rd Street West (called the "Project"). The total costs of the Project are estimated to be one hundred thousand dollars (\$100,000). The making of the Project will not cause duplication of any existing water or sewer utility service furnished by a private utility in the City.

You are hereby further notified that in order to provide financing for certain costs of the Project, the Governing Body has further found and determined it to be necessary and declared its intention to issue revenue bonds in a total principal amount which shall not exceed \$100,000 under the authority of K.S.A. 10-1201 et seq., as amended and supplemented including by Charter Ordinance No. 211 of the City of Wichita, Kansas. Such revenue bonds shall not be general obligation bonds of the City payable from taxation, but shall be payable only from the revenues derived from the operations of the Water and Sewer Utility. Costs of the Project in excess of the proceeds of such revenue bonds shall be paid from unencumbered moneys of the City which will be available for that purpose.

This Notice of Intent shall be published one time in the official newspaper of the City; and if, within fifteen (15) days from and after the publication date hereof, there shall be filed in the Office of the City Clerk a written protest against the Project and the issuance of the revenue bonds, which protest is signed by not less than twenty percent (20%) of the qualified electors of the City, then the question of the Project and the issuance of the revenue bonds shall be submitted to the electors of the City at a special election which shall be called for that purpose as provided by law. If no sufficient protest to the Project and the issuance of the revenue bonds is filed within said fifteen (15) day period, then the Governing Body shall have the authority to authorize and proceed with the Project and the issuance of the revenue bonds.
